

The Cat's Paw — Volume 42

Changing the decade has been chosen by the Cat's Paw staff of 1979-80 as the theme of this book. The seventies will be remembered in terms of events such as Watergate, the energy crisis, and the Iranian revolution. Predictions for the eighties center around a development of a new foreign policy and the fight against inflation. Not only is our nation affected by these affairs, but we as individuals see the outcome both here at school and at home. We have selected the three areas of entertainment, fashion, and current events to make our comparison of the two decades.

Stepping Into the Eighties

From mini dresses to dresses below the knees, fashions have made drastic changes during the past decade. Girls weren't even allowed to wear pantsuits to school until the 1971-72 school year. Then a couple of years later blue jeans were approved. The jeans have gone from bell-bottomed to straight-legged and rolled up. Hairstyles have also taken on new looks. The bouffant style of the early seventies has been replaced by much easier and practical blow-dry styles. The new cuts created a new demand for products such as curling irons and blow dryers. T-shirts for guys and girls have also taken on a new popularity. Shirts with decals from favorite sports teams to famous television celebrities are seen at SSHS.

(top) Keith Brice, Steve Littlefield, and Jeff Gideon model a few of the T-shirts that are seen around our campus. (bottom) Rabbit fur coats have become very popular in the past year. Many girls at SSHS are seen wearing these coats. Missy Harmon, Becky Gassaway, and Lynn Ragan display their favorites.

(left) New styles have become popular for girls. Girls are now wearing straight skirts and skirts with splits in them. **Tobbie Wright** and **Connie Baucom** model a few of the new styles. (bottom) Straight legged pants and jeans have become popular for girls and boys alike. **Kevin Anderson**, **Lester Dial**, **Yvette Sanders**, **Daphne Franklin**, and **Terry Moore** wear their favorite styles.

Staying Aware in the Eighties

(top) Senior Civics students **Angela Morrison**, **Johnny McCann**, **Tommy Starrett**, and **Dawn Garrett** look for Presidential articles for their special project.

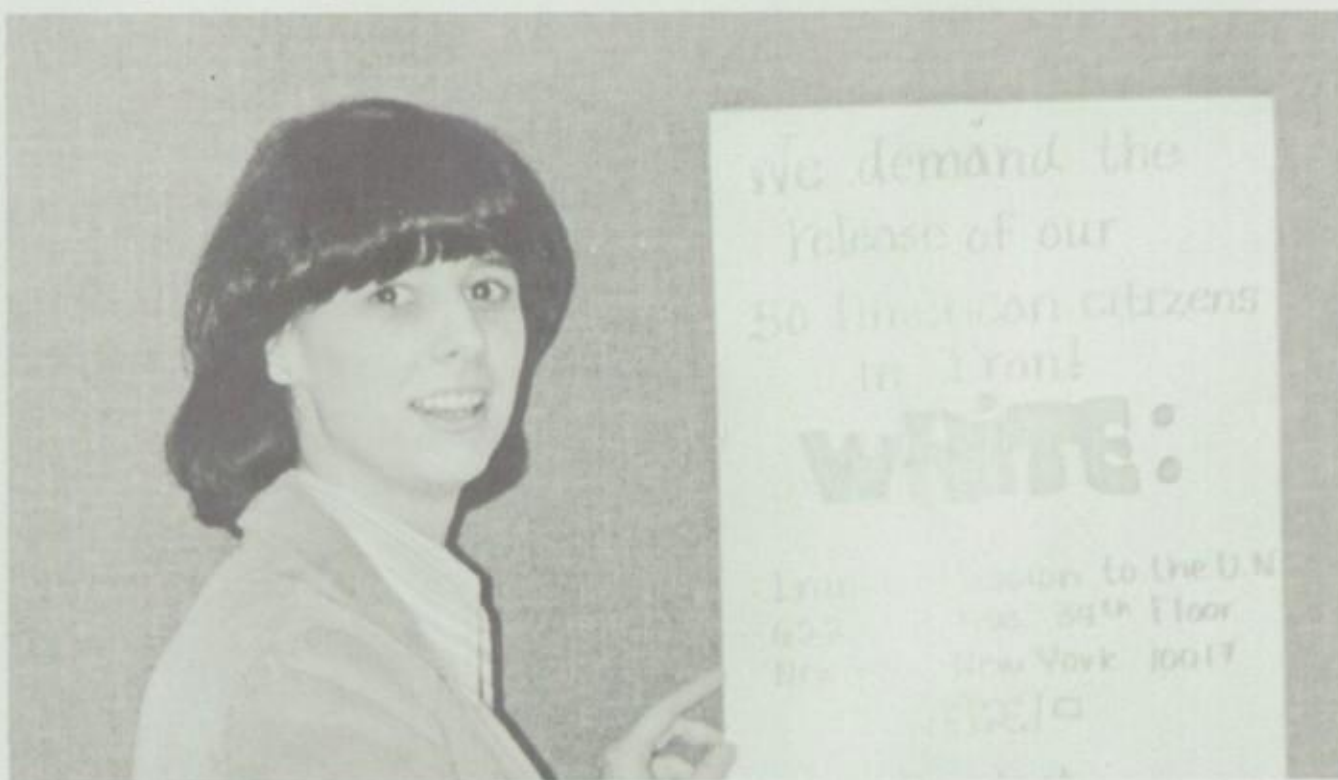

(left) **Mr. B. J. Chapman** has become "Ayatollah Chapman" to his students as they discuss the Iranian crisis in class. (right) **Lynn Clark** finds herself counting her change a little more closely as the price of silver continues to go up.

Thirty-five dollars an ounce was the price of gold during the early 1970's. The closing price of gold in 1979 was five hundred and eight dollars an ounce. Not only has the price of gold been escalating, but the price of gasoline has gone from about twenty-six cents a gallon in 1970 to \$1.10 a gallon in 1980.

Main news topics of the seventies included Watergate, resignation of President Richard

Nixon, and end of the Viet Nam War, and new relations with China. Gerald Ford was the first U.S. President not elected by the people. The end of the seventies were concerned with American hostages being held in Iran and the Soviet invasion of Afghanistan. With the close of the decade came the 1980 Presidential election. Campaigning by the candidates began making the news with the first party caucuses taking place in January.

TOP TEN MONEY MAKING FILMS

1. Star Wars (1977)
2. Jaws (1975)
3. The Godfather (1972)
4. Grease (1978)
5. The Exorcist (1973)
6. The Sting (1973)
7. Close Encounters (1977)
8. Saturday Night Fever (1977)
9. One Flew Over the Cuckoo's Nest (1975)
10. Smokey and the Bandit (1977)

Music has gone from the mellow sound of Simon and Garfunkel in 1970 to the disco sound of Donna Summers in 1979. The new "disco" phase was brought about with the starring of John Travolta in the movie "Saturday Night Fever" in 1977. Travolta also made a hit with his playing in "Grease" in the summer of 1978.

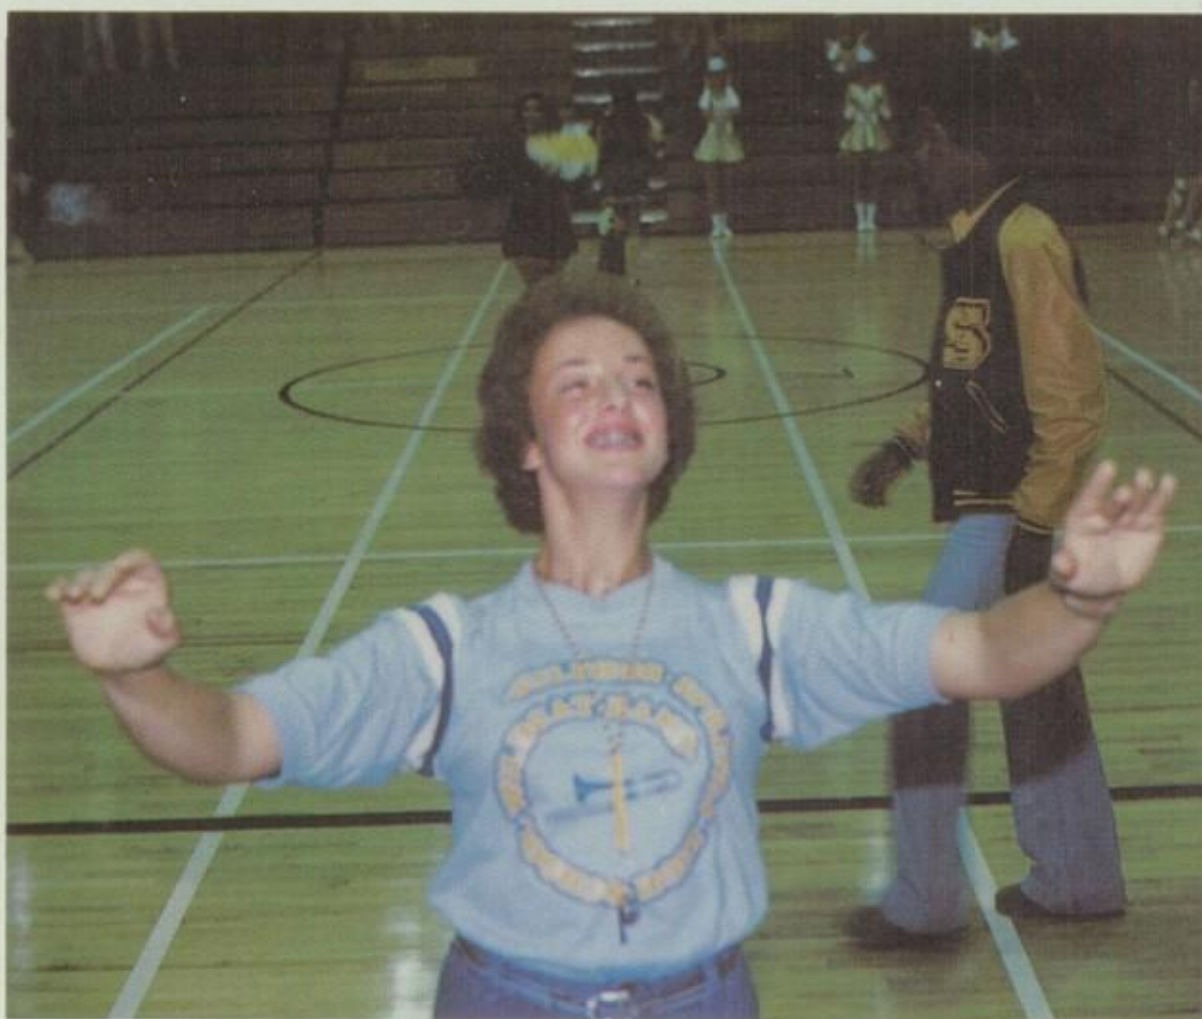

Science fiction movies also were a hit at the box office in the seventies. Star Wars brought in \$164,765,000 in 1977, and Star Trek was released in December of 1979 and promised to be another best selling film.

Old Traditions Remain in the Eighties

Although the past decade has brought about many changes in our lives, there are a few traditions at SSHS that remain the same. The band, twirlers, drill team, and cheerleaders lead the student body at pep rallies to promote school spirit. Each year one game is set aside as the homecoming game. The week of homecoming ten girls from the senior class are chosen by that class as the homecoming court. The student body then votes on one girl to be the homecoming queen. Many things change about us, but it's the things that stay the same that make SSHS special to us.

(top) **Craig Kids** runs with the ball at the Homecoming game against Bonham. (bottom) The Wildcat Band does much each year to add to our school spirit. **Deanna Cousins** is the drum major this year.

(left) The Blue Blazes have been a tradition at SSHS for sixteen years. This year **Debbie Osborn** is serving as captain.

School isn't always boring. Think back on the past year . . . to the pep rallies and dress up days during football season, to the winning homecoming game. How about the Powder Puff game between the junior and senior girls? Can you believe that game ended in a tie? The Valentine's dance gave you girls a chance to ask the guys out for once. No one has to know that was the only date you had all year! The juniors were all willed another exciting year at SSHS by the seniors at the Junior Senior Prom, but on May 22, 1980 the senior class said good-bye to SSHS. From now on their high school days are just memories.

New Faces Appear at SSHS

(top right) Summer vacation is cut short for Wildcat Band members as they begin marching practice two weeks before school starts. **Dolly Herman, Simone Edwards, Terry Boles, and Robert Cooper** are waiting for the drum major's whistle. With a new school year comes new faces on our coaching staff. From left to right are (back row) **Ronny Heflin, Larry Washburn, Angela Hamm, and Conley Bland**, (bottom row) **Foye Williams, Don Poe, and Randy Reed**.

"Welcome back to school" was expressed by Student Council members in the posters that were put up in the Student Center. They also sponsored a day for students to come pick up schedules and find all their classrooms.

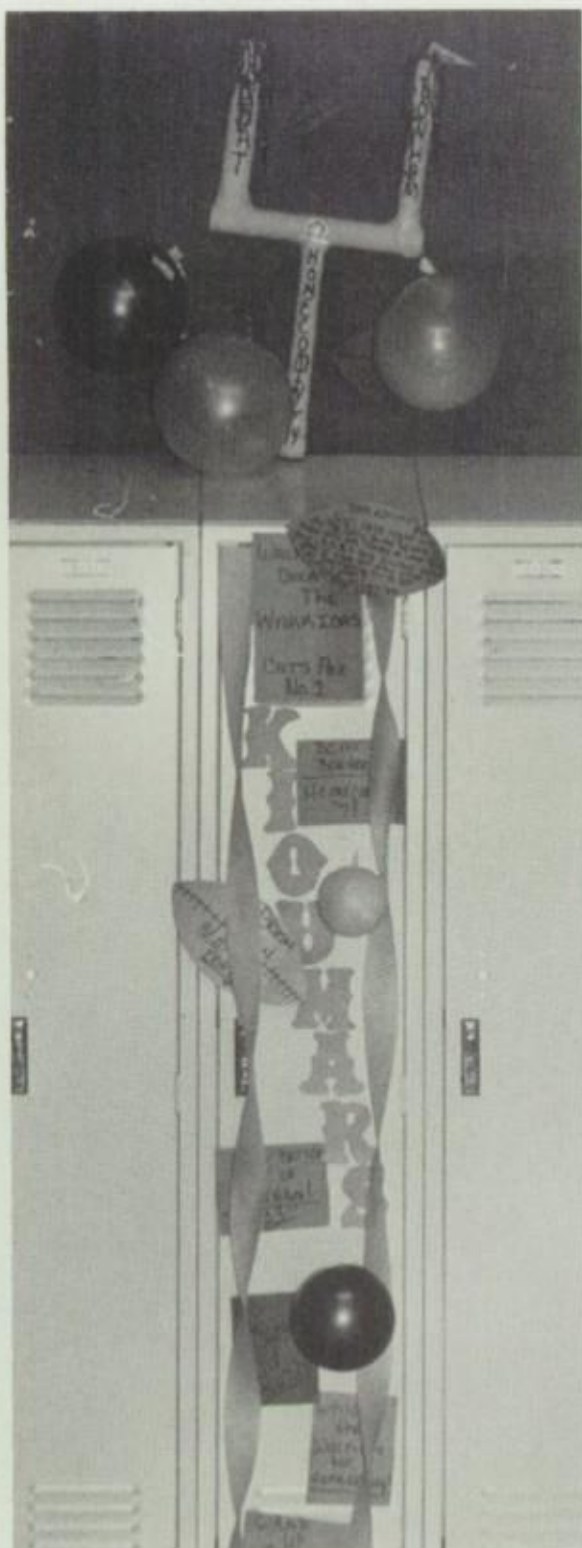

Along with a new school year came our new Superintendent Ed Stevens and Vice Principal Lewis Rogers, and they weren't the only new faces around. We also had a new coaching staff who became the founders of the "Gold Rush."

Lewis Rogers came to our school as our new Vice Principal and **Ed Stevens** as our new Superintendent.

(top right) Student Council members welcome students back to school with a special day to pick up new schedules. (bottom) Office secretaries are kept busy with the beginning of school.

Fifty's Day Relived

"Fifty's Day" proved to be the most popular dress up day sponsored by the cheerleaders, and the students weren't the only ones to dress up. Several teachers were seen with their bobby socks and leather jackets on. The twirlers, drill team and cheerleaders even performed fifty's routines in the pep rally that day.

Joe Gober and Cooky Sanderson, co-captains of the 1939 football team, presented a new flag to the school during the last pep rally.

(left) Secret Spirit Builders, twirlers, cheerleaders, and drill team members did things each week for the football players to build up their spirit for the games. Decorating their lockers was just one spirit building activity.

(top right) Senior students try to win the spirit stick in the pep rally by yelling the loudest.

(bottom) The band adds their spirit to the pep rallies by playing the Alma Mater.

Becky Gossett and Bruce Woodall are two of the students who participate in the Fifty's dress up day.

(top) Mrs. Dupriest and Mr. Jones add their support by dressing up for Fifty's Day. (bottom) Cooky Sanderson and Joe Gober, members of the 1939 football team, present a flag to our school during the last pep rally.

The cheerleaders work many hours to prepare for the pep rallies. Each week they paint signs and lead cheers to build up the spirit of the students.

(top) Mrs. Mabe picks up her homecoming mum that the Blue Blazes ordered for her. Mums were sold by freshman, junior varsity, and varsity cheerleaders. (bottom) Theresa Shelton and Laura Wilemon perform with the twirlers at the pep rally on the square.

Tracy Ferguson, Craig Kids, Sheila Morris, are demonstrating one of the most popular dances, the "Cotton-eyed Joe." The homecoming dance is held on Saturday night this year with the chili supper on Friday.

'It Rained On Our Parade'

Our snakewalk to the stadium was probably the most unusual activity during the week of homecoming. We had to do something to boost that Gold Rush Fever onto a victory because our annual bonfire and parade had already been cancelled due to the rain. Instead of having our usual pep rally in the gym, the Key Club sponsored the

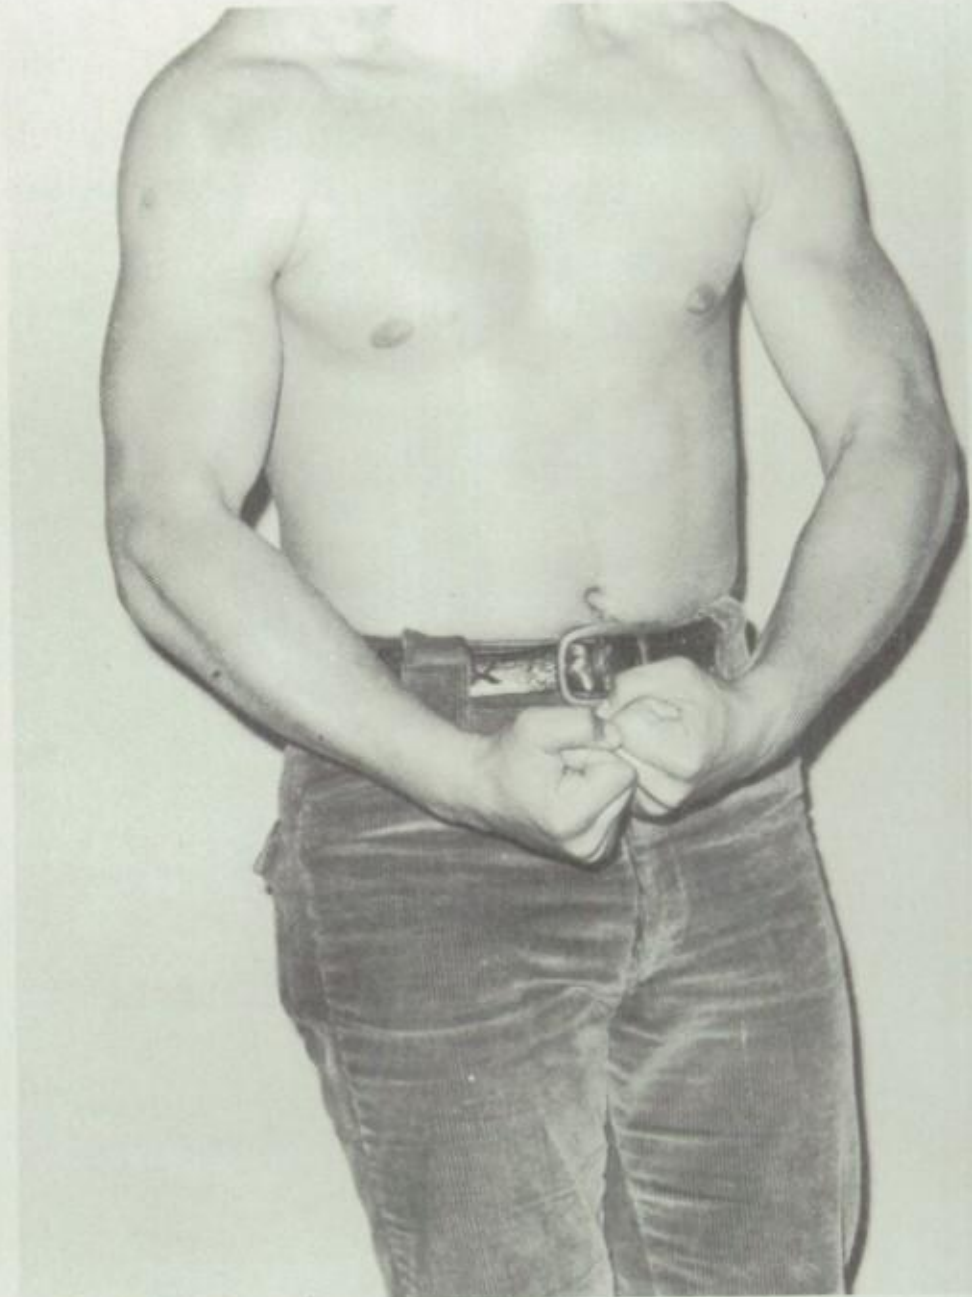

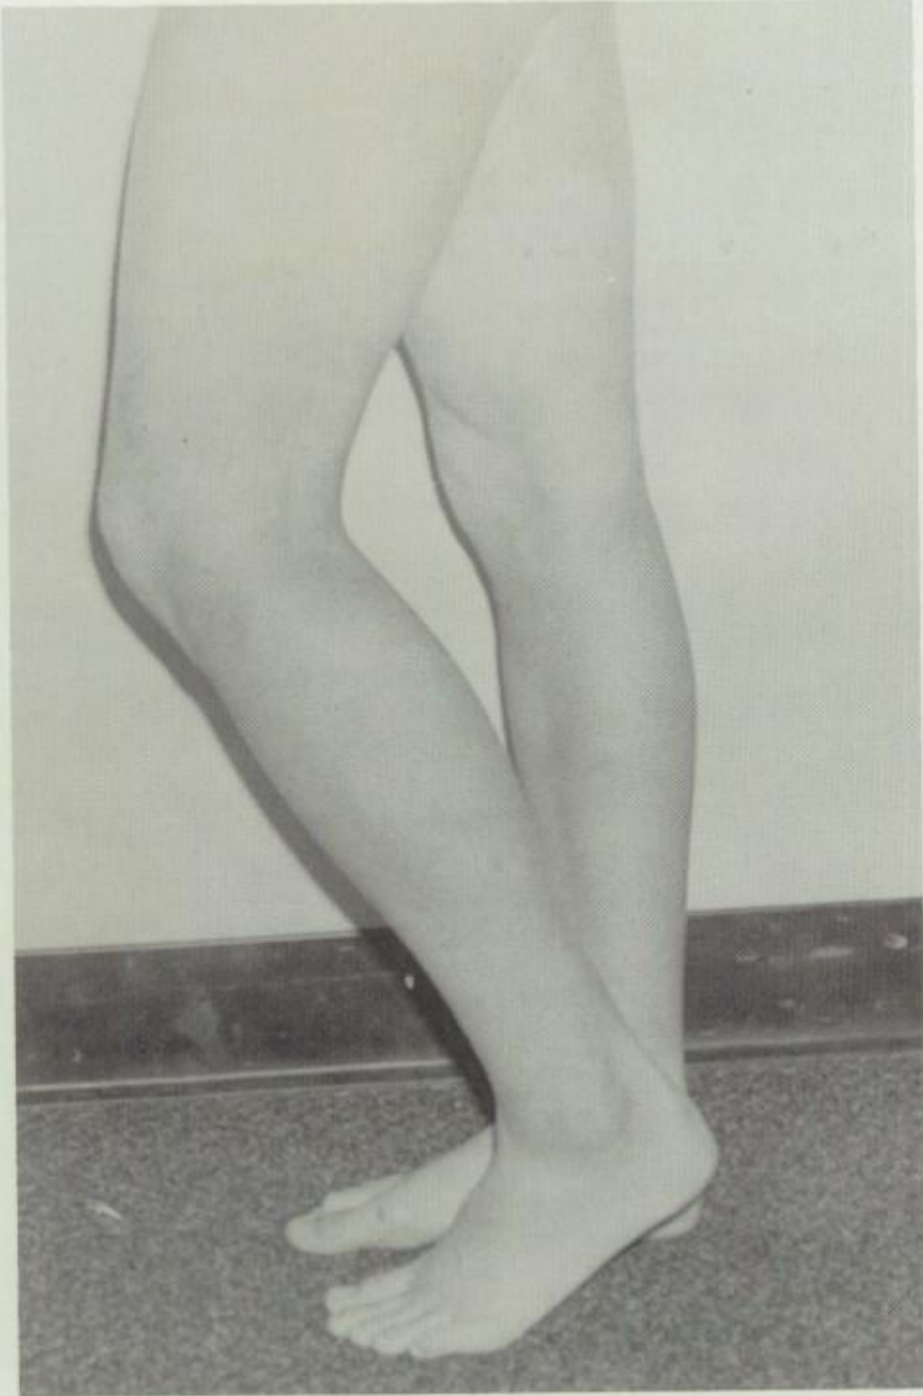

bonfire outside the stadium. Tuesday night, however, the weather was good and we were able to have the pep rally on the square. A new twist for homecoming this year was the chili supper on Friday night sponsored by the Student Council. The dance was then on Saturday night.

(top) After the parade was cancelled, Spanish Club members decorate the hall by their room. (bottom left) The VOE classes sponsored the Spirit Leaves Contest for their second year. The junior class won the contest by buying the most leaves to put on the trees. (bottom right) The pep rally on the square drew a large crowd to support the Wildcats. These cheerleaders take time out for a rest while the drill team officers and twirlers perform.

Glaess, Chubb Win Contests

Richard Glaess was chosen "Big Man on Campus" in the contest sponsored by the Youth Against Cancer. Students placed their votes by putting a dime on the man of their choice. Richard and runners up Harold Crist and Randy Tilley were presented at the pep rally.

After the success of the "Big Man on Campus," the YAC sponsored the "Prettiest Legs" contest for the girls. The voting was done the same way and Betty Sue Chubb was named the winner.

(top left) **Betty Sue Chubb's** legs were chosen the prettiest. (top right) **Richard Glaess** was voted by the student body as the Big Man. (bottom) Students were shown pictures of the contestants and voted by paying a dime.

Powder Puff

Ends in Tie

November 19 was a cold, rainy night, but that didn't stop the junior and senior girls from playing the annual Powder Puff football game, sponsored by the Key Club. Coaches for the two teams were junior and senior club members. Half-time entertainment included crowning of Homecoming Queen, Jeff Harris, and a performance by the Key Club Drill Team. The final score of the ball game was Juniors 6, Seniors 6.

(top) Members of the Key Club performed in the drill team during the half-time show. (bottom) Senior, **Terrie Camp** runs with the ball while juniors, **Suzy Burney** and **Missy Hackney** follow closely behind.

Students Enjoy Parties

"Christmas is my favorite time of year" was a popular expression around SSHS. Christmas season brought us parties and a much needed break from school. Many of the clubs and organizations planned parties for their members and the band, FFA, FHA, and Student Council sponsored dances. The French Club even sponsored pictures being made with Santa Claus.

(top) **Grant White** hands out Valograms that were sold to **Tracy Hamilton** and **Deanna Cousin**. The Latin Club sold Valograms with cookies and carnations during the week of Valentines. (bottom right) **Jimmy Finnie** really dresses for "Wild and Crazy" day during Sadie Hawkins week.

Sadie Hawkins theme was carried out at the Heart's Festival Dance on February 9 at the Civic Center. Nominees for King and Queen of Hearts were chosen from each of the four classes and the winners were announced at the dance. The Student Council also sponsored a week of Sadie Hawkins activities which included: Monday, "Wild and Crazy Day"; Tuesday, "Hats Off to the Wildcats"; Wednesday, "Hillbilly Day"; Thursday, "Red and White Day"; and Friday, "Western Day".

Student Council Elected President

"When they play follow the leader, we're the ones they're following." That was the theme of the District XIX Spring Forum at the Civic Center on February 28. SSHS Student Council, serving as secretary, was host for the 21 visiting schools. New officers for the district were elected with Sulphur Springs chosen President; Liden-Kildare, Vice-

President; Atlanta, Secretary; and Hooks, Treasurer. Bob Gooding, Executive Consultant of M.S.P. Company, spoke to the group about being leaders, and individual workshops were planned for the students. Sulphur Springs conducted a workshop entitled "Reaching Out: The Invisible Student."

(top) Mrs. Bailey gives directions to visiting students. (bottom) Sulphur Springs Student Council officers sat on the stage with Bob Gooding and the district president from Ore City.

Drama and Choir Stage Musical

"You're a Good Man Charlie Brown" was the first musical put on at SSHS in several years. The cast was made up of drama students, choir, band, and drill team members. Charlie Brown was played by Gregg Tinsley, Lydia Wallace was Lucy, Mona Barnett was Snoopy, and Eric Reynolds was Linus. The play centers around the lack of confidence Charlie Brown has in himself and the way his friends help him gain confidence. The musical was presented for the students on Friday, March 29 and for the public Friday and Saturday nights and Sunday afternoon at the old Junior High Auditorium.

Juniors Host Seniors' Final Prom

After a lot of preparation, the juniors honored the seniors with the yearly Junior-Senior Prom on Saturday night, April 12 at 7:00 in the Civic Center. **Jeff Gideon**, Junior class president, presided as master of ceremonies. The prophecies and wills were read by the class officers. There were many laughs, but many sad moments. The dance began at 8:30 and lasted until midnight. **New Phase** from Tyler provided the entertainment.

From mini skirts to covered knees and jeans, fashions have changed as have the curriculum and the students of Sulphur Springs High School. There are more classes offered now than ever before; Radio-TV, Ag-Mechanics, Drafting, Bible, Aerospace Aviation, German, Sociology, Psychology, and Youth Encounter are all new this decade and are available to interested pupils. They enable students to experiment in various fields of study before they reach college level. More extensive preparation for the business world is also possible for those who do not plan to go to college through classes such as Vocational Office Education, Vocational Education for the Handicapped, Vocational Adjustment Coordination, and Distributive Education II. SSHS has grown in numbers as well — in 1970 there were only 852 students; and in 1980, 866 students are in attendance. The number of teachers has grown from 56 in 1970 to 73 in 1980. Through improved facilities and a wider range of studies, SSHS is producing larger numbers and better-prepared graduates for the world of tomorrow than it did a decade ago.

Seniors Set New Goals

SENIOR (sen' yer), adj. of or having to do with the graduating class. n. person of higher rank or longer service. This is the dictionary definition of the word "senior," but to many, it means much more. Life's decisions seem to unfold at once to the graduating class during their senior year. Seniors make choices during their senior year such as if they will attend college, if marriage is in store, and what career will they choose. There are 122 male students and 99 female students which make up the class of 1980, with 221 students. The sponsors of the senior class are: Ann Ardis, LaRene Good, Les Jones, Colleen Hines, Ronnie Heflin, and Paula Hanger.

Juniors Work to Achieve Seniority

Preparing for final years has brought the junior class closer together. They have worked together to reach their goals. In order to raise money juniors sponsored two concession stands during football season, sponsored a dance which was held at the Civic Center, and sold Freshman, Sophomore, Junior, and Senior class T-shirts. On each specific T-shirt were the names of the people in that class.

During the week of Homecoming, the jun-

iors won the Spirit Leaf Contest by using 98 leaves. Juniors also had the excitement of ordering their senior rings. The class boasted 26 juniors in the National Honor Society.

Unfortunately, the junior class is the smallest class. The enrollment of 204 members consists of 108 girls and 96 boys. The junior class is proud to have as their sponsors Tony Bible, Randy Reed, Sharon Dever, Kare McIntire, Marynell Bryant, Harold Bryant, Sandra Washburn, and Larry Washburn.

Sophomores Struggle Toward Higher Goals

This year (1979-80) the sophomore class consisted of 207 students; 108 of these students were boys while 99 of them were girls. The four sponsors for the sophomore class were as follows: Miss Sandra Glenn, Mrs. Susan Adams, Mrs. Jean Arnold, and Coach Conley Bland. Being a sophomore opens up various new fields to a student. There are many activities as well as classes offered to sophomores which are not available to freshmen. This is especially exciting to sophomores because now they begin to make out their own schedules.

This is an extremely exciting year for

students due to the fact that they receive their drivers license. Now is the time for parents to start worrying and students to start enjoying life. One activity many sophomore boys in the Key Club participated in was the annual Powder Puff football game.

Many students became involved in the "Gold Rush" this year through activities such as drill team, band, twirling, and J.V. football team. The J.V. football team came out smiling with a winning season of 6 wins and 4 losses. This added an extra ray of excitement and enthusiasm to the entire group of sophomore students.

Are Freshmen Ready?

SSHS is always ready for Freshmen, but are Freshmen ready for SSHS? We all remember the initial feeling of paranoia that we felt as Freshmen. Many of us couldn't sleep the night before the first day of school, while others spent the night with a friend to make sure they would have someone to talk to before the bell.

Seriously, SSHS changes a freshman's lifestyle completely. He is now able to choose from a variety of electives, become involved in more clubs,

and start pursuing his career. Some of the electives and clubs he can choose from are Spanish, German, French, Latin, Typing, Pre-Drill, Choir, Home-making, and Agriculture. This is all very exciting for Freshmen who have never had such a wide variety.

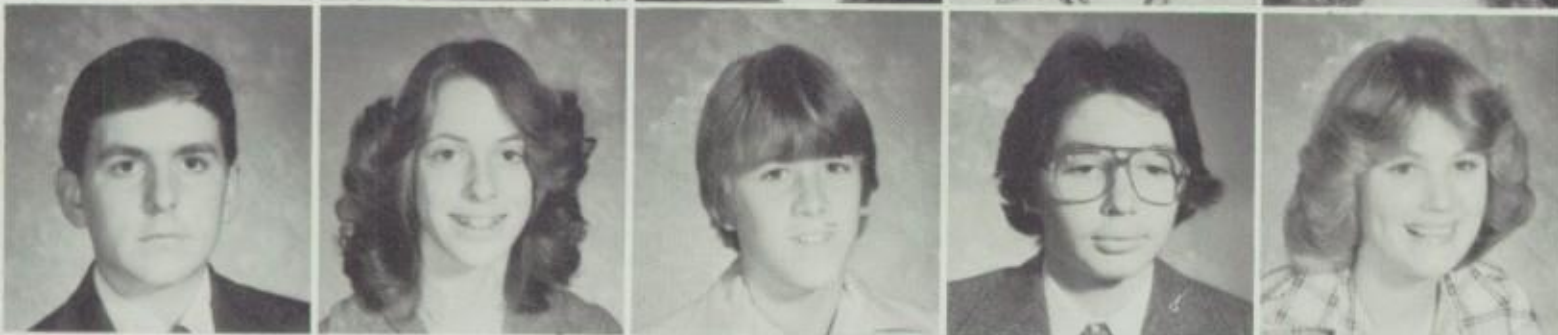

The 1980 Freshman class boasts a large enrollment of 243, the largest class in SSHS. The class sponsors are Judy Barnett, Janie Caldwell, Clyde Nichols, and Foy Williams.

Stevens Takes Over Office

The combined efforts of these people have helped to produce the type of school system of which we can be proud. Meeting a minimum of once a month, the school board authorizes school bills and gives final approval for school policies.

Each person has contributed both time and energy in achieving the ultimate in quality education. The board consists of two women and five men who oversee the duties of the administration.

(Top Left) Mr. Stevens conducts a typical school board meeting. (Bottom Left) School board members include: Tommy Allison, Johnny Dobson, Gary Odom, Tim Kelty, Judy Gilreath, Alfred Glaess, and Patsy Johnson.

(Left) Danny Durham serves as assistant superintendent of curriculum. (Below) Esther Palmer is secretary for Mr. Stevens. (Bottom Left) Ed Stevens finishes his first year as Superintendent of SSISD. (Bottom Right) Kenneth Brem is assistant superintendent of business.

Administrators Lead Students

The "Eighties" sounds like an exciting adventure into the future — just like the "Roaring Twenties" and the "Happy Time Fifties" were to the students of those eras. The tag that will go on the ensuing decade will depend largely on how well we have prepared ourselves for the future. Our hope, as school administrators and faculty members, is to provide the educational experiences and opportunities, so that each and every student may enjoy life to its fullest. The hope of the future rests upon how well you have prepared, the importance you have set on priorities, and your ability to stick to those things you deem important. Our best wishes are for your success.

John M. Chubb

This has been an exciting year for me, filled with new experiences and new situations. I know that there have been administrative decisions made that were difficult for you to understand and accept, but I do appreciate the spirit of cooperation that you, as a student body, have consistently exhibited. It is your attitude that has been a major contribution in making this year a successful one for S.S.H.S.

Faculty Assists Student Body

The faculty at Sulphur Springs High School is a unique and outstanding group of individuals, whose main goal is to prepare students for positions of leadership and responsibility. The staff consists of 72 teachers, 29 men and 43 women. Teachers also participate in student body activities through the sponsorship of various clubs and organizations and other student functions.

As students of SSHS, we know that good grades and a lot of hard work in our academic studies are an important part of our High School career. But we must also realize that the activities in which we are involved and the time we contribute to these activities will mean very much to us in the years to come.

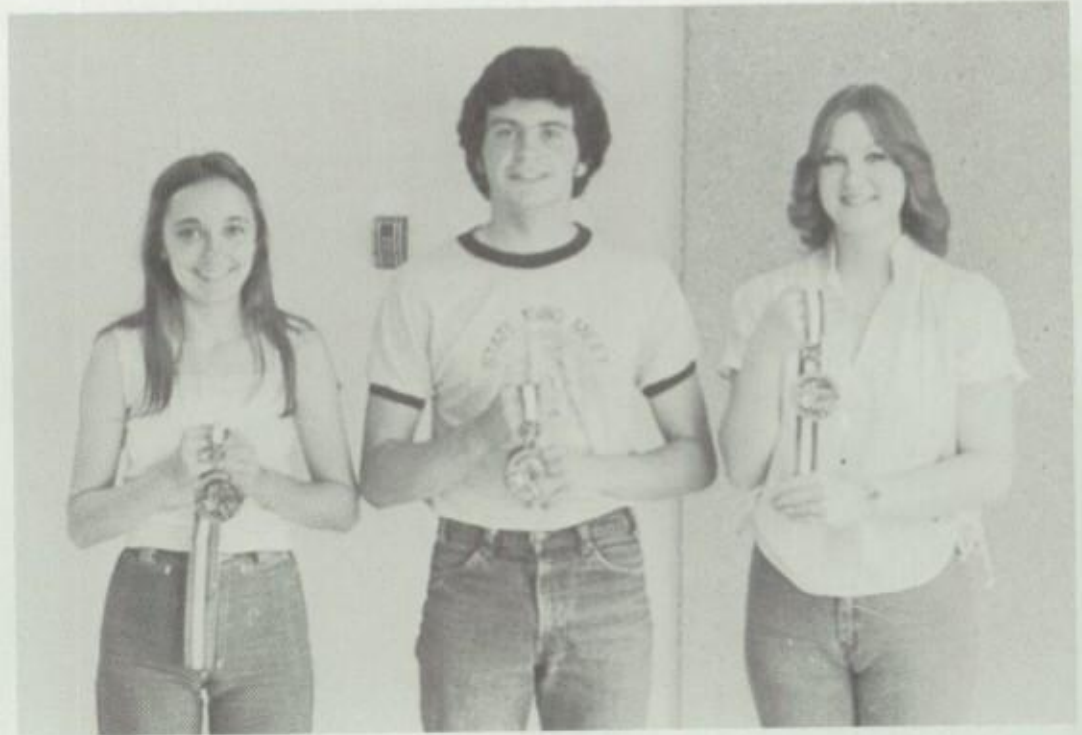

With the move into the 80's, we find a change in the activities and the academic classes that are provided for us. There seems to be more and more every year, such as the year-book signing party in the Fall, the chili supper at Homecoming, the big man on campus contest, the prettiest legs contest, the musical comedy "You're a Good Man, Charlie Brown", and the all school talent show. There was one new class this year — Machine Shop. This was a three hour class and was provided with a new building and brand new equipment. Adding these to the activities and clubs that were already available, we at SSHS are kept very busy.

SSHS Goes to State

Sulphur Springs High School students went far this year in UIL competition. The students competed in speech, journalism, and academic categories. This year the sponsors were **Marynell Bryant, David Powell, LaRene Good, Jean Arnold, Karen McIntire, Lea Anne DuPriest, and Barbara Law.** Three students won at the state contest this year. They are **Tina Phillips, Gregg Tinsley, and April Lynch.** Regional winners were **Beth Tuley, Mona Barnett, Mike Kelty, Butch Burney, Tina Phillips, Tami Mitchell, Gregg Tinsley, Angie Miller, Deanna Brown, April Lynch, Jon Thomas and Roy Davis.**

(top) S.S.H.S. is very honored to have these state winners this year. (middle left) **Gregg Tinsley** and **Perry Hawkins** are excited about taking a break from a bus ride. They are (from left to right) Brad Rogers, Karen Mabe, Lance Looney, Lana Gammill, and Kim Edwards. (Bottom Right) A weekly chore for the staff members was to cut the two extra pages from the middle of the paper. Four staff members, Mike Kelty, Kelly McFadden, Butch Burney, and Maleta Fox, work hard to get the paper out on time.

(Bottom Left) Stacie Watts, Jay Young, and Keith Brice were three of the Journalism I students who wrote stories all year to prepare them to take over the Cat's Tale.

Poskey Wins Second At State for ICT

On Oct. 20 our local I.C.T. club held the District V.I.C.A. Leadership workshop at S.S.H.S. **Ronny Moreland** and **John Poskey**, two of the V.I.C.A. club members, attended the District V.I.C.A. contest at Kilgore on Feb. 29. **Ronny** competed in printing trades, and **John** competed in small engine repair. **John** won first place in his division and advanced to State Competition at Ft. Worth, where he won second in State. Drafting helps students in the development of safety practices, manipulative skills, knowledge, and attitudes for employment. It prepared 51 students for a job in the drafting field.

Students Learn Through VEH and PE

Loral Lamb and Genola Reed (top left) are in charge of cutting lettuce for the Friday meal. Standing at the stove is **George Stribling**, (top right) VEH award winner.

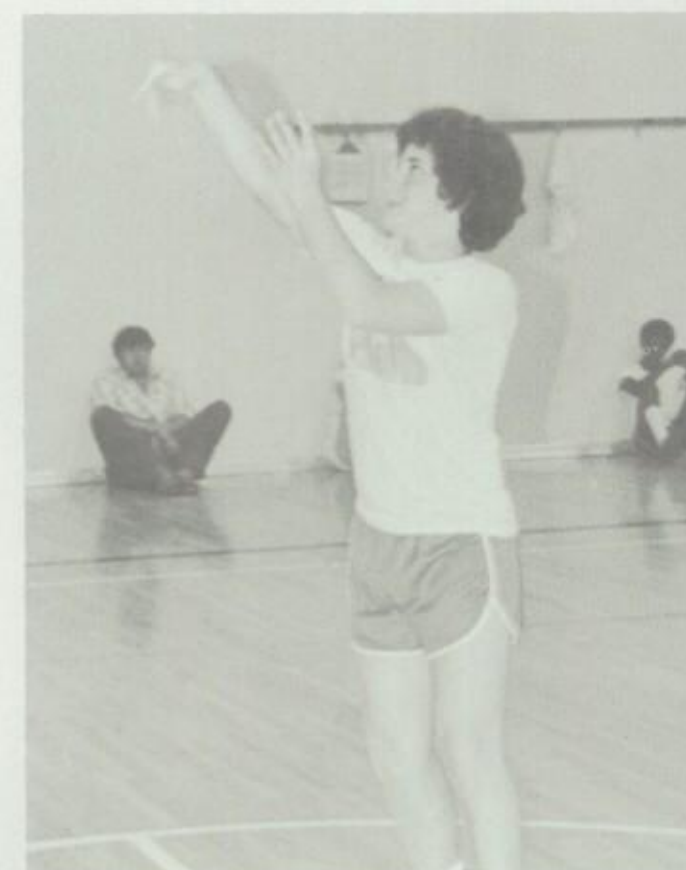

If you were hungry for a good lunch, the best place to go would be the old Jr. High where several students prepared meals all year long. Every Friday, VEH, Home-making Vocational Education for the Handicap, students prepared and served meals for workers in the Administration Building. Trained for jobs in this area, and others in community and commercial services, they use past training in future jobs. **Mrs. Mary Parks**, teacher and supervisor, divided the twelve students into two classes: a morning class that prepares and serves the meal on Fridays, and an afternoon class that helps prepare the meal on Fridays, but is taught more of self-reliance.

Physical Education also played an important part in high school. Not only did students have to take this course to graduate, but they also learned the importance of physical fitness. **Coach Jim Russell** and **Mrs. Janie Green** taught the boys and girls P.E. class respectively.

Hard Work Pays Off

Both the "Pretty Legs" and the "Big Man on Campus" contests were sponsored by a very active club. The Youth Against Cancer Organization participated in numerous activities such as bake sales, concession stands at the athletic games, the contests previously mentioned and the cancer drive. All profits were funneled into the American Cancer Society, which in turn helps researchers find new and better ways to fight cancer. This year's YAC are proud to have raised twice as much or more money than the club has in previous years.

Mrs. Barnett, YAC sponsor, does some heavy thinking as she listens to a speaker in a YAC meeting (top). YAC officers (middle) headed all the projects for the school year. Officers Provide FHA Leadership

This year chapters one, two, and three held a busy yet educational year. Through the supervision of Mrs. Hines, Mrs. Black, and Mrs. Adams, they were able to not only learn a great deal but accomplished many high goals as well. One of the favorite parts of FHA is the monthly meetings. Some program chapters one and two presented were, a program on careers in homemaking, a panel on dating, a representative from Lone Star Gas gave a Christmas display of treats, and one of the girls' favorites was the annual FFA-FHA Christmas social. Some programs chapter three enjoyed were ones on abortion, marriage laws, personality, and natural childbirth.

Top Right: The officers for chapter three were: front, Kaye Hudson, Diane Giner, Faye Hudson, and Kathryn Latham. Back: Becky Phillips, Lou Ann Walker, Michelle Oppenheim, and Donna Jordan. Middle Right: Chapter two officers were: Lisa Goldsmith, Gail Penn, and Renee Sharber. Bottom Right: Chapter one officers were: Front: Kim Crist, Connie Elcer. Back: Rhonda Finnie, Lynn Ragan, Carol West, Julie Henderson, Felicia Young, Liz Horton, and Rashelle Browning.

Gwen Dial not only excels in Homemaking, but does her part for ag as well.

Every year each FHA member has her part to do; however, there are a few girls who excel in their chapter. These girls receive recognition at the annual mother-daughter appreciation banquet and some, at the awards assembly at the end of the year. Through much hard work and dedication these girls achieve their goals by not only receiving awards but by satisfying their own personal need to achieve.

Top Left: This year's recipient of the young homemaker's scholarship was **Sonja Rowland**. Middle Left: Outstanding students in homemaking this year consisted of: Homemaking I — **Michelle Moore**, Homemaking II — **Renee Sharber**, Homemaking III — **Sharon Smith**, and Home and Family — **Kathryn Latham**. Bottom Left: Outstanding FHA members consisted of: Freshman — **Renee Sharber**, Sophomore — **Lisa Goldsmith**, Junior — **Sharon Smith** and Senior — **Faye Hudson**.

Gail Penn received the highest honor in FHA this year, the overall outstanding FHA'er.

Activities Promote Fun For FHA'ers

Middle Left: Lynn Harris and Sharon Smith enjoy a change of scenery when they swap with the FFA officers. Top Right: The FHA girls always enjoy their daddy-daughter date night. This is one date they can always count on. Middle Right: These girls show their enthusiasm at the Future Homemakers talent show. The girls enjoy this part of FHA as much as the spectators.

Each year the FFA officers act as gentlemen and serve at the mother-daughter appreciation banquet.

These FHA officers get into the mood of things for Christmas at their party.

Hard Work Brings Results

Top Left: This year's outstanding Farm Machinery Worker was **Keith Tuck**, outstanding veterinary assistant was **David Zahn**, and outstanding Dairy Farm worker along with receiving the President's plaque was **Milton Ragan**. Middle Left: This is the group of project show winners. Middle Right: **Jimmy Don Allen** received the Farmer's Electric Award, **Russell Burtch** received the Young Farmer Scholarship. Bottom Left: This group of Future Farmers are the recipients of eleven different proficiency awards.

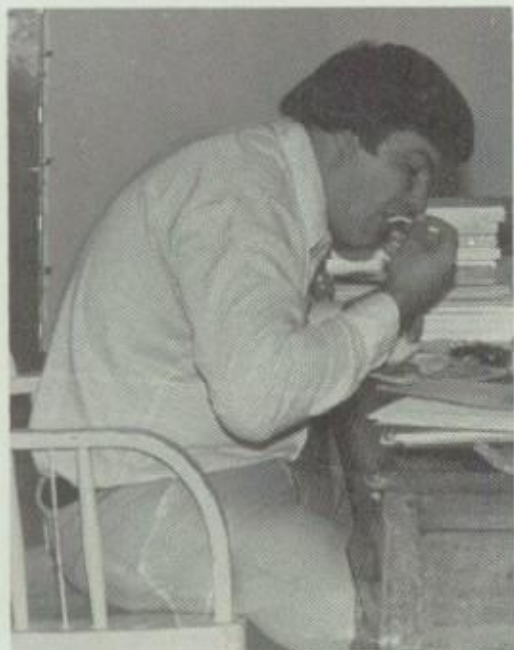

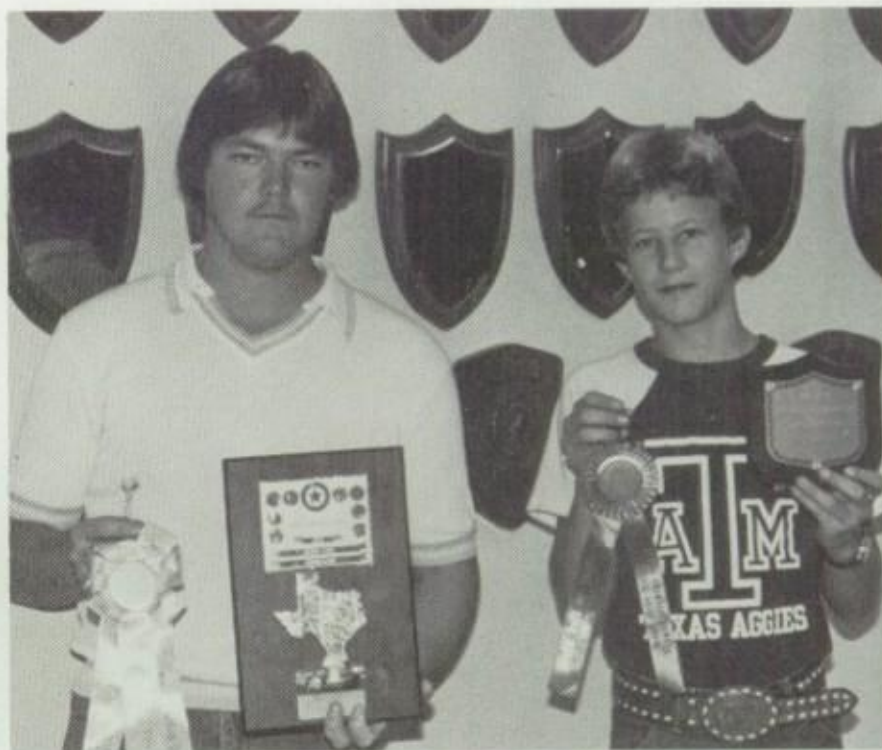

To be a member of FFA you not only must maintain a project but you must show enthusiasm and exhibit hard work throughout the entire year. This dedication must show throughout your community as in the classroom. The boys and girls in FFA are shown great leadership through the efforts of their three teachers: Mr. Benson, Mr. Boles, and Mr. Johnson.

Work and Responsibility Never End . . .

This year several people achieved in the FFA program. Many hours and a great amount of dedication made all of this possible.

Top Right: **Mike Rushin** and **Kris Koon** reveal their achievements at the State Fair of Texas. Middle Left: **Mr. Benson**, always finds time to eat. Middle Right: **Stanley Logan**, **Milton Ragan**, and **Dale Thompson** received top honors at area convention.

Officers for this year were; Front: **Milton Ragan**, **Dale Thompson**, **Missy Harmon**, **Kevin Lumsden**, **Randy Neal** and **Lee Pogue**, Back: **Jimmy Don Allen**, **Terry Woodard**, **Mitchell Darr** and **Sean Sartin**, With sweethearts, center: **Karen Mabe** and **Donna Hatcher**.

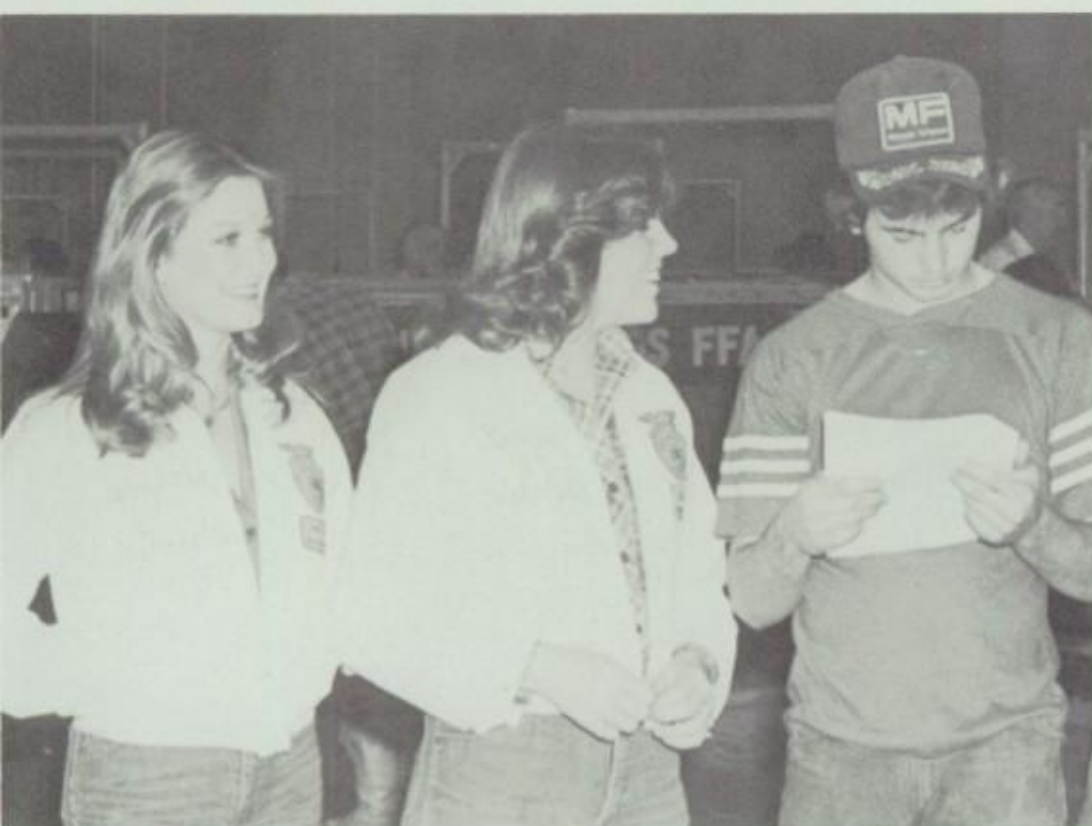

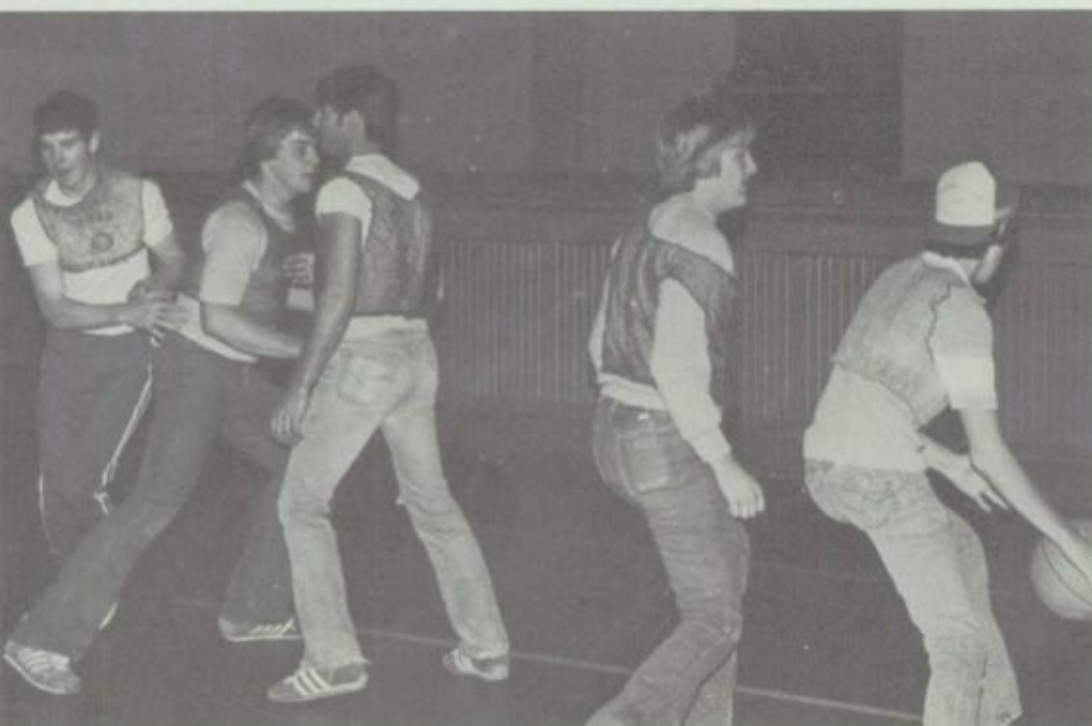

The FFA program is one of the most active clubs at SSHS. They work in different activities throughout the year. Some of these activities include: the ag. basketball games, the stew and auction, the selling of fruit during the fall, and the attendance at different Livestock-Dairy shows during the year.

The stew and auction were a great success this year, grossing around \$14,000. The all tournament boys basketball team boasted their victory over the young farmer's team 13-12! They attended shows such as: Houston, Dallas, and Ft. Worth, along with several local shows, bringing home championships from all.

The ag teachers led many teams to victories this year, some of these included: the Quiz team winning second at area contest, the greenhand conducting team winning third, along with the grass team winning sixth.

Speech and Drama Shine At SSHS

Lots of hard work has turned out a very proud speech department at S.S.H.S. this year. The speech department produced two debaters, **Butch Burney** and **Mike Kelty** who advanced to state competition. In the department's one act play, "The Bald Soprano," we won zone, district, region and advanced to state. In individual competition our actors grabbed 11 all-star cast honors, four at zone, four at district, two at region and one at state. They also managed 4 honorable mentions at the various levels of competition.

The speech classes made themselves very useful throughout the community with goodwill and charity. The department sponsored a special Christmas card project where the members of speech classes made special Christmas for every residents of the nursing homes. The department also had a special performance of their award winning play "The Bald Soprano" in which the proceeds went to benefit Lisa Smith, a student at SSHS who contracted a serious illness during the school year.

Art Students Enjoy Projects

Making pottery, painting, drawing, jewelry making, latch hook rugs, and macrame are among the many projects the art students are involved with. The students enjoy these projects and sometimes find some hidden talent.

Student Council Sponsors Many Fun Activities

With a lot of determination to provide the school with many activities the Student Council began their planning. What resulted was a school year that had something for everyone. With Mrs. Mary Lou Durham and Mrs. Lea Anne DuPriest as sponsors, the Council sponsored activities such as Sadie Hawkins week and dances. They also raised attendance at home basketball games by sponsoring a club basketball booster award. This award was given to the club who had the best attendance at all of the home basketball games. The Council also provided a CPR Workshop for all of their members. And with one of their greatest achievements of the year, the Council pulled all of the school's clubs together to sponsor a very successful pancake supper in honor of Lisa Smith.

NHS Travels to Tyler

In November the Gladys Alexander Chapter of the National Honor Society installed its new members. These members had to have a 90 or above scholastic and citizenship average and possess leadership qualities.

The NHS added new sponsors this year. Along with **Mrs. Ardis** the new sponsors were **Coach Reed** and **Mr. Jones**. These sponsors along with the NHS members attended Tyler State Park for the annual NHS picnic. Even though the picnic was not held at the traditional site of Lake Cypress Springs, a tradition was upheld anyway. It rained just as it did last year. However, thanks to a few of our members, most everyone was able to take a brief swim.

Science Club and FTA Build Membership

Building membership was the main goal of the FTA and Science Clubs this year. Both clubs held membership drives during the year.

FTA held its traditional day of teaching and had several parties throughout the year. The Science Club had two meetings with speakers relating to science fields.

French and Spanish Compete At Symposium

Sandra Washburn's Spanish Club stayed busy year round with competitions, money making projects, and just plain fun. They competed at East Texas State Symposium where they were awarded an overall second place. Six members of the club attended the Pan American Forum where they exchanged ideas with other Spanish Clubs across Texas. The club also sponsored a child in Mexico.

Latin Sells Val-o-grams; German Helps Refugees

The selling of Val-O-Grams is the most popular project for the Latin Club, and its chief money making project. It has become a tradition around SSHS to send and receive Val-O-Grams on Valentine's Day. The members of the Latin Club, sponsored by Sharon Dever, attend Area and State Conventions. They also held a concession stand, sold bumper stickers, and had pizza and hot dog parties.

(Left) **Scott Bell** enjoys pizza at a party given by the Latin Club. (Below) The Officers are; **David McCarly**, Vice-President; **Grant White**, President; **John Beggs**, Reporter; **Debbie Hayes**, winner of the Latin Award, and Secretary; and **Scott Bell**, Treasurer.

Collecting for the Cambodian Refugees, selling frisbees, and having parties are just a few of the activities participated in by the members of the German Club, sponsored by Lea Anne DuPriest. They also participated in various money making projects to make a scholarship available for senior members. This club is not only active, but is very educational.

Key Club Sponsors Powder-Puff Game

One of the more active groups in SSHS this year was the Key Club. This organization sponsored school wide functions such as the Powder Puff Football Game, the Talent Show, the Senior vs. Faculty Basketball Game, and the Homecoming Bon Fire. They also represented Sulphur Springs at State Convention in Houston, and hosted The Grand Council Meeting in October.

Along with their addition of activities to SSHS, the Key Club also collected for the Cystic Fibrosis Foundation, and the American Cancer Society. This organization has been busy all year, and is most definitely an asset to SSHS.

(top) The officers are: **Jeff Caldwell**, Sgt. at Arms; **Kevin Tucker**, Vice President; **Lance Looney**, President; **Keith Brice**, Treasurer; and **Randy Tilley**, Secretary. **Tim White** (right) receives a warm congratulations from **Clifton Riley** for being a member of the Homecoming Court at the Powder Puff Game.

C.O.C. and F.C.A.

Spread the Word

Through the Morning Devotionals, Christ on Campus softened the hearts of many and set the mood for a good day in first period every morning. This non denominational organization's chief goal was to relate to the students of SSHS that through Jesus Christ their goals would be reachable and their lives happier. They held many fellowships and gatherings, and urged others to join their club.

The Fellowship of Christian Athletes was divided this year with two chapters, male and female. This organization met in small groups weekly, having one large meeting a month. For the first time ever, FCA sent its members to camp in July. Various money making projects were held year round to finance this trip, such as concession stands, the selling of T-Shirts, and the selling of Super Tuff Cleanser.

Cheer- leaders Prove to Be Special

It takes a special type of person to be a cheerleader. As well as spending many hours perfecting their skills, they must have high spirits, even when the team is losing. They must also promote support from the student body for their team. In a way, they are the style setters of the school.

(top) — The varsity squad is — **Jill Pearson, Karen Mabe** (head cheerleader), **Lisa Latimer, Cheryl Filak,** and **Dawn Woinarowicz.** (middle left) — **Karen Mabe** cheers at a pep rally. Cheerleaders Convert to Three Squads

For the first time ever, the cheerleaders were divided into three squads instead of the traditional two. This increase in number proved to be helpful in various competitions. The public often fails to realize that the cheerleaders do more than attend sports. Along with this tremendous duty, they compete against many other squads at various contests and camps. At Southern Methodist University Cheerleader Camp in July, the varsity squad won five superior ribbons, a super squad ribbon, and a spirit stick. At the K-104 Battle of the Cheerleaders, the Junior Varsity squad and the Varsity squad won an outstanding, overall second place trophy. At Tyler Junior College, the varsity won a blue superior ribbon. The Freshman squad won a second place ribbon at Tyler Junior College, and at a clinic here in SSHS, they won two blues, and two reds. The students at SSHS should be very proud of all three squads in their outstanding performances.

(BOTTOM) S.S.H.S. stage band is an honored group of hardworking band members who travel many places throughout the year entertaining various groups of people.

This Year's SSHS marching band was not only one of the biggest ever, but one of the greatest as well. They received many top honors in various fields throughout the year. The student body, as well as all members of our community, realized what a great band we have through viewing their performances at not only local football games, but at Dairy Festival, Miss Sulphur Springs, etc . . . as well.

(top left) **Deanna Cousin** this year's drum major, shows great leadership. (Middle Right) We are number 1!

This year's band is one of the greatest ever to represent SSHS.

Corps Style Adds Interest to Band

Last year was the first year for the band to try out their new corps style. This style turned out to be a great success. It not only added extra members to the marching band but created a new outlook for the entire band.

Each year band officers are elected to supervise the various activities the entire band engages in throughout the complete year. This adds leadership and helps the whole group run much smoother.

(top right) This year's band officers are, FRONT ROW: Kevin Clayton, Joe Hughes, Laura Diamond, and BACK ROW: April Lynch, Julie Parker, Lauri Webster, and Eric Reynolds. (bottom) This year's Flag Corps not only added beauty to the marching band but a different style as well.

Choir is an organization made up of students who plan to make a career of singing or else they simply enjoy singing as a hobby. This group is lucky enough to be supported by **Mr. Jones**, their director, and **Mrs. Scott**, their pianist. They sing at various events throughout the year and are enjoyed by everyone who hears them.

Girls Twirl Their Way to the Top

This year's twirlers ranging from Sophomore to Senior were one of the best squads ever. With **Sherry Brinlee** as their leader they walked away with many awards and number one ratings.

(Top Left) Twirlers always are a special part of the entertainment at the weekly pep-rallies. Each year they perform a special routine for the fifties pep-rally. (Top Right) Junior, **Laura Wilemon**, proudly twirls at one of the pep-rallies.

Lydia Wallace, Lisa Fox, Kelly Fletcher, Matt Starkey, and Deanna Cousin display two awards the stage band won.

This year like all other years' band took away awards from all areas throughout the entire band. Band is divided into various groups ranging from twirlers to the concert band. Each group serves their special purpose and received awards in their field, whatever that might be.

Drill Team and Officers

"The Award Winning Blue Blazes Drill Team is proud to perform for your halftime entertainment!" This sentence has been heard at every Wildcat football game for over eighteen years. Thanks to instructor **Edna Mabe**, an award winning drill team has become a tradition around SSHS. The 79-80 squad has been a special one, however, because they attended two contests other than the traditional East Texas State Blue and Gold Review. Due to this extra exposure, they brought back to SSHS more trophies than ever.

At the regional Gulf Coast Contest in Houston, the Blue Blazes stole the show by winning a one rating in all three events, bringing home a Sweepstakes trophy. At the Miss Texas Drill Team Contest in Dallas, they won a one rating in the jazz and prop divisions, and a second place rating in high kick — bringing home two trophies. Just one week later at the Blue and Gold Review, the Blazes were proud to boast of yet another Sweepstakes trophy, winning a one rating in all three events. It is this type of organization that SSHS is proud to have representing them.

When the seventies came rolling around changes took their place. America's team was no longer the Greenbay Packers, but the Dallas Cowboys and the Pittsburgh Steelers. Babe Ruth lost his homerun record to Hank Aaron and Lee Trevino and Sam Snead were slowly pushed out by the smooth stroke of Jack Nicklaus. At SSHS a new era of successful girls' athletic programs were started with basketball, track, and volleyball. Going into the 80's the Wildcat athletic programs will be seeing new faces as a district change will take place. SSHS will be moving up to the AAAA division bringing new challenges to our athletes.

Cats Start Off Great

New head coach **Don Poe's** 1979 Wildcat football team ended a decade of losing seasons with a surprising 5 win 4 loss 1 tie winning record. The Wildcats started their season with a 21-14 win over North Lamar in a game which looked at first like it would start off another poor Wildcat season as North Lamar took a 14-7 lead at half time. But the second half belonged to the Wildcat defense as they shut down the North Lamar offense to a total of 51 yards and 0 points. Along with the tough Wildcat defense Cornerback **Mike Debase** intercepted four North Lamar passes to place his name in the SSHS record books. The following week the Wildcats visited the McKinney Lions and it turned out to be a big mistake as McKinney rolled over the Cats 37-0. It was a game where nothing seemed to go right, especially the Wildcat offense which could manage to move the ball a total of only 67 yards all night.

Reaching for a clutch reception is Cat receiver **Bobby Burney (28)**.

Homecoming '79

One to Remember

After suffering their 37-0 loss to McKinney the Wildcats went back to work and prepared for their homecoming game against the Bonham Warriors. Homecoming week proved to be all soggy and wet as six inches of rain fell on Sulphur Springs. But the Wildcats made the sun shine when they marched over Bonham 14-0 in a game which was tagged Wilcats from the start. The Wildcat defense once again proved to be the factor as it held the speedy Bonham offense to 41 yards on the ground and 49 yards passing. The Wildcat offense didn't have too bad of a night themselves. Besides fighting off a fumble and two interceptions the Cats managed to total up 190 yards and 12 first downs.

Injuries Plague Cats

Even though the Wildcat season was a victorious one, many players felt as if they had lost. Walking through the fieldhouse before a game in the last part of the season you would have thought you were walking through a hospital beside a battlefield. Injuries took their toll on the Cats as they lost seven starters to various injuries and broken bones.

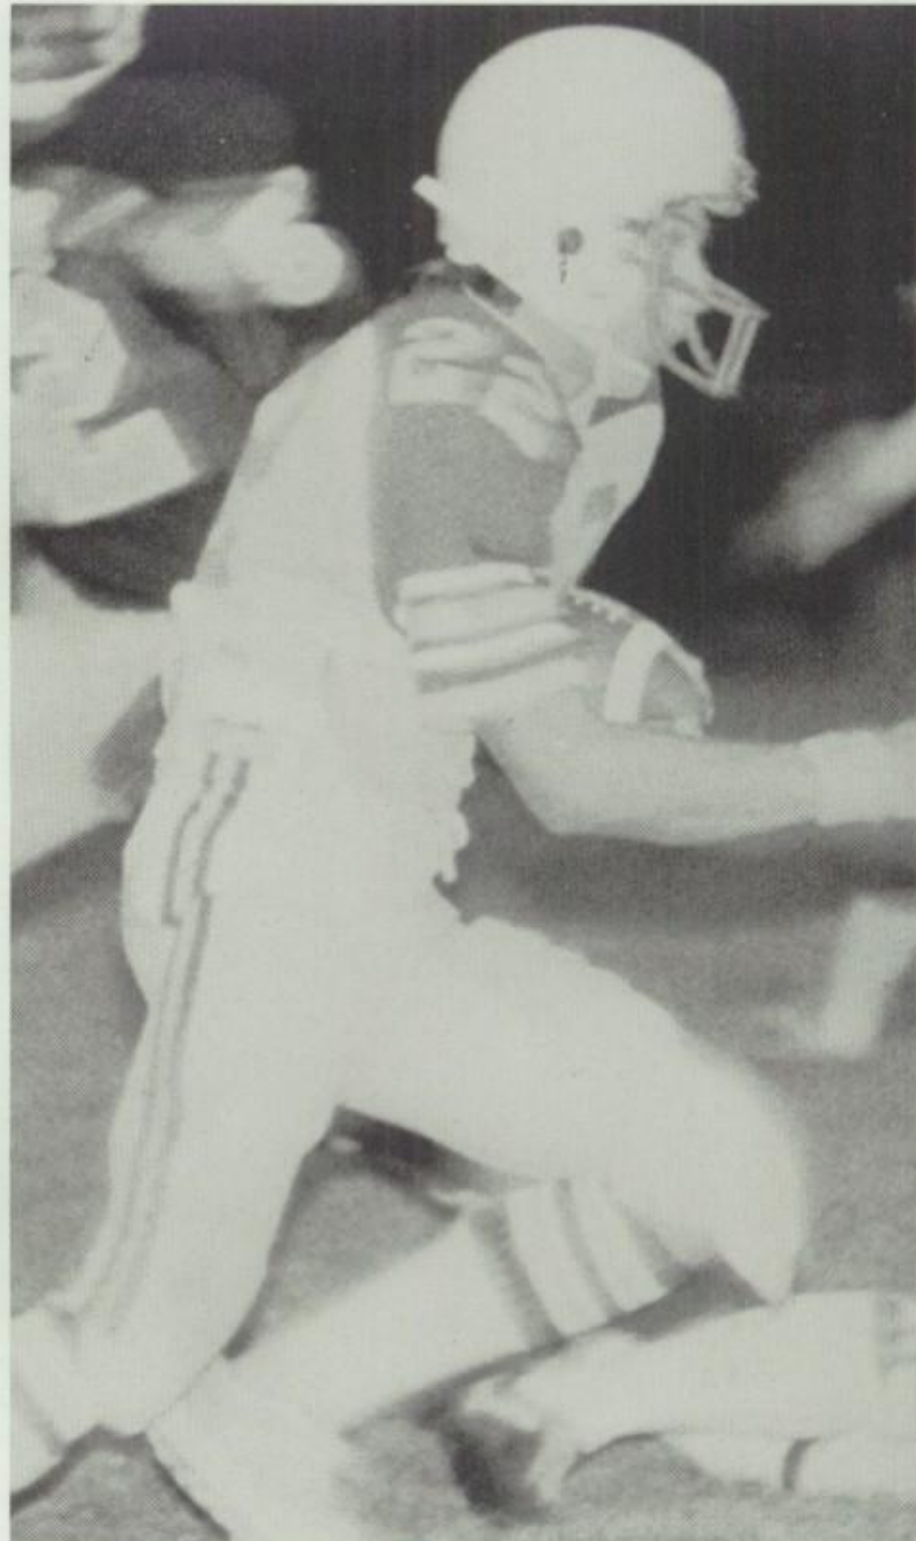

Some Wildcats did come out on top as Sulphur Springs placed 11 players on the all-district team. **Bobby Burney** was first team split end and honorable mention cornerback, **Kioumars Rezaie**, first team kicker. Those included on the second team were **Mike Debase**, running back and honorable mention safety; **Bubba Bell**, noseguard; **Richard Glaess**, linebacker; **Clifton Riley**, linebacker. Also making all-district as honorable mention was **Mike Wood**, tackle; **Sean Austin**, linebacker.

Raiders Were in It All the Way

The Sulphur Springs Jr. Varsity or commonly known as the "Blue Raiders," started 1979 in hopes of striking gold at the district championship.

The offense that never really got cranked up was supported all year by a solid defensive effort. The Raiders took a one-win two-loss record into district play and despite losing players to help the Varsity cause, they won their next four. The Raiders dropped their next game to Paris and in a penalty filled game they beat Liberty-Eylau in the last minute. The Raiders were tied with Gilmer for first and took on the Buckeyes in their final game. Sulphur Springs was crushed by the fast Buckeye team and finished up with a record of 6-4.

District Crown

Eludes Frosh

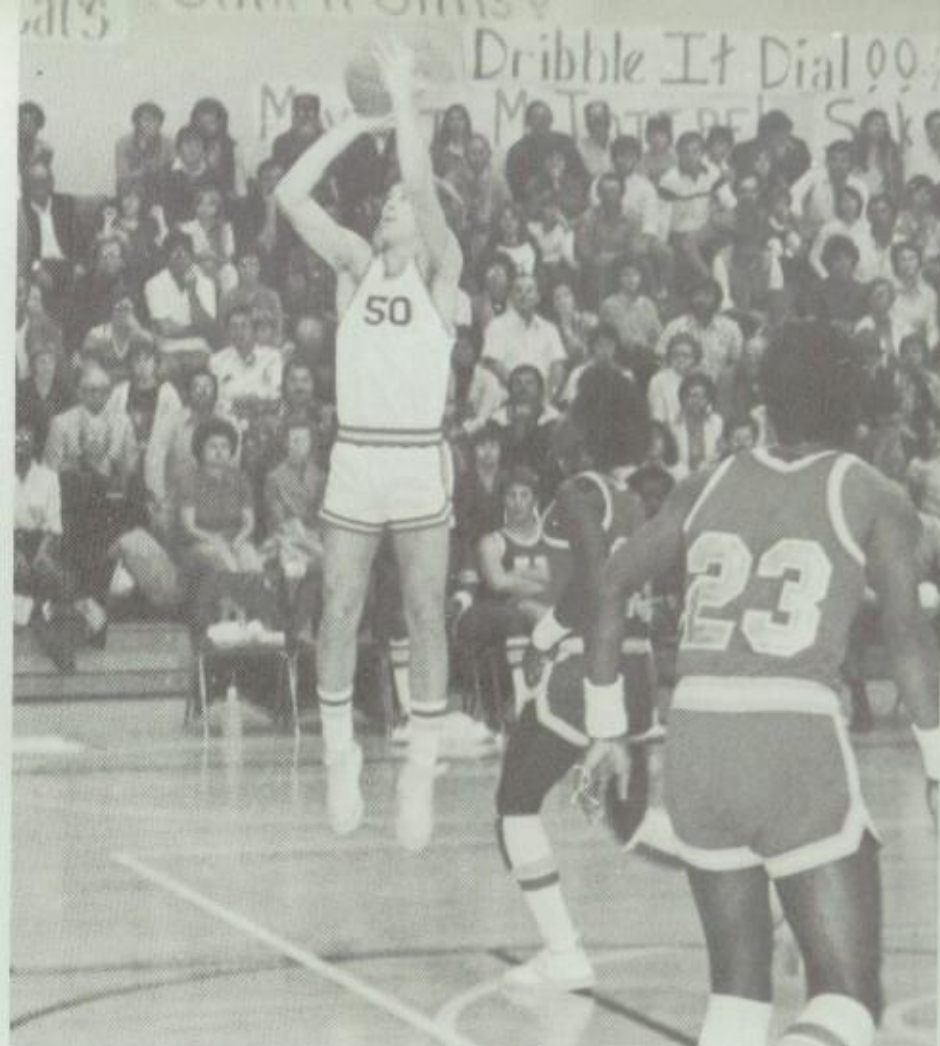

The 1979 Freshman Wildcats started off their high school football careers with amazing success. All season long the Cat offense rolled up point after point, while the defense managed to hold off their opponents. The Cats went to eight wins and no losses and looked like they would win the district. The only thing standing in their way was a strong team from Liberty-Eylau. The Cats took the field with plenty of Gold Rush spirit, but their offense stalled and the defense was toppled. The Wildcats took home an 8-1 record and second place but hope to provide a bright future for their varsity years.

A Great Year, A Lot of Determination, But . . .

Sulphur Springs Wildcats fans were treated to an exciting basketball year as the Cats ended up with a 20 win and 9 loss season. The Wildcats also managed to bring home 3 trophies which were first place in the Terrell tournament, second place

in the North Lamar tournament and consolation in the Mt. Pleasant tournament. Showing a lot of determination during their non-district season the Cats only lost four games. But Paris High, the new powerhouse of the district, and Liberty Eylau spoiled hopes for the Cats to capture a district Championship as they defeated the Cats in both rounds of district play.

Mike Debase (32) tries for the rebound.

Split Season Ends 11-12

For the Sulphur Springs Junior Varsity the 1979-80 basketball season ended on a split count. The Cats posted an 11 win 12 loss season record and a 6 win 7 loss district record. They seesawed through their non-district games, winning five and losing five. The Cats began the first round with a loss to Liberty-Eylau but handily defeated Mt. Pleasant and Paris. They dropped their next game to Hallsville and looked like they had found the right combination when they ended the first round by defeating Daingerfield, Atlanta, and Gilmer. The Cats' second round started in disaster when they lost three games in a row. The next game they soundly defeated Hallsville, but lost their last two games of the season, ending the second round with only one win.

Freshmen Good for Second

Finishing with a season record of 5 wins and 5 losses and a district record of 4 wins and 2 losses the 1979-80 Freshman Wildcats captured 2nd. place in the district. The Cats won their first game against Clarksville but dropped their next four which included a district game to Paris. The Cats came back strong the next game and were tied with Mt. Pleasant after the end of regulation time. Determined not to be defeated for the fifth time in a row the Cats hung on with good defense and defeated the Tigers in overtime. Gilmer defeated the freshmen in the third district game but the Cats came back again and finished the season with wins over Paris, Mt. Pleasant, and Gilmer.

Bright Spots Highlight Year of Determination

After the resignation of the new head track coach and cancellation at the first track meet, Wildcat track team got off to a slow start. The tracksters traveled to Allen for their first meet of the year and came away with a 4th place finish. At the next track meet in Bonham **Randy Cooper** who missed the Allen meet threw the discus 137-4½ feet to capture second place. **Greg Adair** won the 1600 meter run and then finished second in the 880 followed by **Butch Burney** who finished third. The Cats traveled to Rockwall the next week and compiled 40 points which was good enough for a sixth place finish. Adair finished second in the 1600 meters with a time of 4:28:67. Burney again placed third in the 880 and **Mike Debase** placed third in the long jump. Debase also placed fourth in the high jump with a jump of five feet eight inches. Cooper finished third in the discus followed by **Richard Glaess** with a fourth place finish. At Mt. Pleasant, Cats could only pick up 17 points for a 7th place finish. Adair broke a school record as he turned in a time of 4:27:9 his best up to that point.

Adair Paces Cat Track Team

Senior Wildcat, **Greg Adair**, paced the Wildcat track team at the district meet once again this year. Greg, who won second place earlier this year in the Class B state cross country meet, set a new school record in the mile run with a time of 4:23:53 breaking the old record set by himself. Greg the only Cat to advance to region, found a tough field of competition but still grabbed a third place finish in Denton. The only other points earned in the running events at the district meet included the mile relay, sixth place. The field events, one of our strongest parts had three Cats to place. **Randy Cooper** and **Mike Wood** took fifth and sixth in the discus and **Jay Young** fifth in the high jump and sixth in the pole vault.

Powerlifting Adds New Dimension

With the coming of a new coaching staff came the new sport of powerlifting. The Wildcats participated in five meets throughout the year. On February 16 the Wildcat powerlifters traveled to Desoto for their first meet ever and came away 13th out of a total of 22 teams. Day Day Petty made the best showing with a fourth place finish in the Super-heavy class. On February 23 the Wildcats hosted the first Sulphur Springs meet. The Cats ended in second place as a team. Paul Eddins ended in second place in the 123 pound weight class, Tommy Beck captured third in the 132 class, Steve Littlefield was third in the 148 class, Tommy Wade third in the 165 class, John Sheffield and Damon Dixon second and third in the 220 class, and Petty first in the Super-heavy. The Cats finished first in the Bishop Lynch meet and sixth in the Lake Dallas meet. They traveled to the Texas Championships where they captured fifth place. Tommy Wade finished in second place in his class, followed by Sheffield who won third.

Golf Team Captures Four Season Trophies

After a fourth place finish in district 7-AAA last year the young and inexperienced Sulphur Springs Wildcat golf team went to work practicing long and hard hours at the Sulphur Springs Country Club. But the Wildcats had a hard time playing up to last year's district, region, and State Champion Paris. Sulphur Springs finished behind Paris in every tournament and behind their J.V. in one tournament. The Wildcats still had a good year as they brought home four trophies during the season, second place in the Mt. Pleasant, Sulphur Springs, and district tournaments, and third place in the Atlanta tournament.

Senior golfer **Mike Gilreath** led the Sulphur Springs linksters to a second place district finish and a trip to the regional meet. Mike was the only Sulphur Springs golfer to make the first team all-district selection. But **David Perry** and **Billy Huckabee** managed to grab a second team spot. Sulphur Springs finished second to a strong Paris team whose J. V. finished third.

At the regional meet in Denton the Cats made a good showing, but finished in fifth place with a team total of 348 only one point behind the fourth place finisher. Mike once again led the Cats as he finished sixth individually with a 36 hole total of 155.

Late Start Paralyzes Wildcat Baseballers

Composed of eight seniors, one junior, six sophomores, and one freshman, the 1980 Wildcats had lots of depth and leadership started off slow but came on to a strong finish. The early part of the season the Wildcats were being taught faster than they could learn as they were defeated six out of their first seven times on the diamond. Once they reached zone competition their effort was greatly improved. They lost their first two zone games but came back to win the last four. The Wildcats finished the season second in the zone behind a strong defending Mount Pleasant team.

Wildcat Senior Pitcher Named Most Valuable Player

Wildcat senior pitcher and center-fielder **Bobby Beck** was awarded the 1980 Wildcat baseball most valuable player award after helping lead the Cats to a twelve and nine record. Beck, who contributed most with his outstanding pitching, having a 1.56 season ERA and made first team all district centerfielder. Along with Beck eight other Wildcats were named to the all district teams. They were **Scott Johnson**, first team outfield; **Randy Cooper**, first team second base; **Jordan Stanley**, first team first base; **Darren Hicks**, second team shortstop; **Sam Johnson**, second team third baseman; **Bubba Bell**, honorable mention outfield; and **Steve Littlefield**, first team designated hitter who had a season batting average of .319.

It Was Short But Sweet

With four games on the schedule and lots of talent, the Junior Varsity baseball team started their workouts. The Cats played their first two games with the Varsity squad from Fruitvale and won both games handily. The next two games scheduled were with Paris. The Cats won the first game, but the second game was rained out and could not be made up. They ended up undefeated with a three win no loss record.

The girls volleyball team which ended its third season on a good note by beating Gilmer in two straight matches captured its first winning season. Miss Angela Hamm who started her coaching career this year used her leadership and abilities to not only produce the Lady Cats first winning season but to produce four all-district players. The all-district players were **Betty Sue Chubb**, first team spiker; **Tina Pearce**, second team setter; **Laura Ballard** and **Felicia Clayton**, honorable mention spikers. Girls volleyball was not much of a spectator sport at S.S.H.S. in 1979, but after improving over the years girls volleyball spectator attendance should be growing rapidly.

Under the direction of first year coach Kamilla Johnson the girls ended their 1979 season with a ten-win, seven-loss, no-tie record. This is the second year in a row the J.V.'s have had a winning season, and hopefully their winning tradition will carry over into their varsity years.

Girls' Basketball — It's Not All Roses

Roses are far from what you would call the Lady Cats' season. The girls basketball team managed to win only 7 out of 18 games. Coach Hamm will have to take her returning lettermen and regroup during the off-season for a hopefully better season next year. Even though their record was heavily unbalanced the Lady Cats as stated by Coach Hamm "had a good season."

J.V. Girls Give Winning Performance

With a lot of determination and hard work the girls Junior Varsity basketball team wrapped up second place in the district behind a strong team from Paris. The girls finished the season with an overall record of 13 wins and 7 losses and a district record of 8 wins and 5 losses. The girls won most of their non-district games and entered the first round with confidence. They won four of their first round games but dropped three important ones to Paris, Hallsville, and Atlanta. In the second round the girls defeated Paris but lost to Mt. Pleasant and a close game to Hallsville. The girls ended their season on a strong note by defeating Daingerfield and Atlanta. This was the second winning season in a row for the J.V.'s.

Lady Cats Hit Hard Times

The Lady Cat track team slowly lost their momentum and several as their season progressed. Ending up with only seven members, the Lady Cats made the best of their disadvantage by hard work and determination. At the district meet in Mt. Pleasant, Susan Townsend battled an injured leg and stiff competition but captured third place in the mile but the other girls were not so lucky because only two others placed. Linda Powell won fifth in the mile and Carolyn Gilbert sixth in the 100 meter hurdles.

Girls Capture Third at Regional

After shooting a 388 in the Sulphur Springs District Tournament and a 384 in the Mt. Pleasant District Tournament, the girls golf team won second place and a trip to Regional. The girls traveled to Denton and after their first round on a very tough course, they were in third place with a combined score of 453. Unable to move up in the second round of competition, the girls finished in third place with a two day total of 882 just missing a trip to State. **Jill Pearson** led the team with a 202 and finished in fifth place. **Jill** and **Suzy Burney** were named to the All-District team with combined scores from both District Tournaments of 182 and 188. **Laura Ballard** and **Regina McIntire** were named to the All-District second team with scores of 198 and 204. The golf team should be a contender next year with returning lettermen **Suzy Burney** and **Laura Ballard**.

Reynolds-Chubb Advance To State Meet

Representing our school in the girls' tennis state meet in Austin were **Susan Reynolds** and **Betty Chubb**. They won second place in both region and district losing in the finals both times to Paris' Methven and Screws. At the state meet **Susan** and **Betty** ran into trouble in the first round losing to a doubles team from Sweetwater who later defeated Methven and Screws in the finals for the state girls' doubles crown.

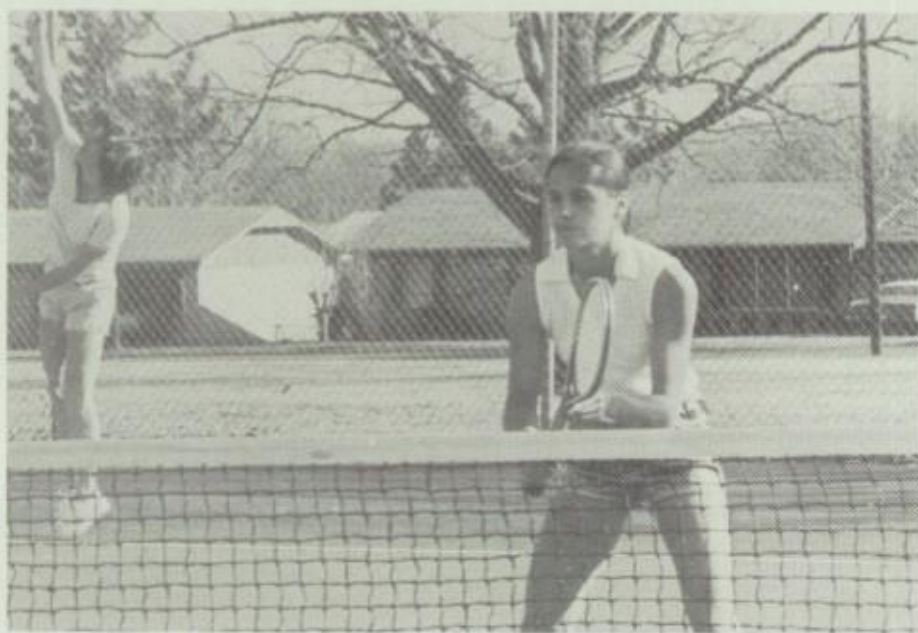

At the district meet, along with **Reynolds** and **Chubb**, the tennis team had other winners, too. **Joe Hughes** and **Lance Looney** won the boys' doubles district championship. However, due to bad weather and playing conditions, they lost in the first round at region. Another tennis player who scored high at the district play was **Donna Jordan**. She worked her way to first place at district.

(left) Junior **Betty Sue Chubb**, who went to the state meet in Austin with teammate **Susan Reynolds**, puts her all into a shot. (above) **Gail McGrady** and **Missy Hackney** progress to be ready for yet another crucial point.

Wildcat Netters Give Up District Crown

The Wildcat netters fell short of their bid for the 7-AAA district title trailing $5\frac{1}{2}$ points behind Paris. Paris won the title with $23\frac{1}{2}$ points followed by SS with 18 points. **Susan Reynolds** and **Betty Chubb**, who won first at district last year, placed second this year. **Lance Looney** and **Joe Hughes** won first in boys' doubles. **Donna Jordan** provided a big surprise for the tournament by placing first in girls' singles.

Kirk Glenn is chosen by the Blue Blazes Drill Team members as their beau for 1979-80.

Spring was a busy time of year for students at SSSS. Activities began with the Sadie Hawkins Valentines Dance in February and continued at a steady pace through the All Sports Banquet and Favorite Assembly in April. Also in April many clubs chose their sweethearts and beaus and the announcement of the Valedictorian and Salutatorian was made. With the coming of the 80's came more changes in the way the Homecoming Court was chosen. In the past, ten girls made up the court. This year the student body voted on three girls and the ten girls receiving the most votes were on the court. Having a Favorite's Assembly in the Civic Center was another new attraction this year. The Yearbook Staff sponsored this event instead of having the traditional dance, hoping to involve more of our students. As we move into a new decade our honors remain the same but our methods of choosing them are changed.

Many clubs here at SSHS have a tradition of electing sweethearts and beaus to represent their clubs. This year we have seven organizations who proudly boast their eleven sweethearts and beaus.

(top left) Jeanna Mosely is chosen VOE sweetheart. (top right) The Blue Blazes choose Kirk Glenn as their beau. (bottom) Karen Mabe and Donna Hatcher are chosen to be the FFA sweethearts.

(top left) The band selects **Kelley Fletcher** as their sweetheart. (top right) **Debbie Osborn** and **Shannon White** are chosen as the Key Club sweethearts.

(bottom left) FHA Chapter One selects **James McMahan** as their beau. **Jeff Chester** is chosen beau by the FHA Chapter Two. **Richard Glaess** is FHA Chapter Three's beau.

Kenny Kirtley is chosen by the French Club to be their beau.

Outstanding Athletes Receive Awards

(above) **Susan Reynolds**, senior, received the girls' tennis award. **Linda Powell**, senior, received the MVP award for girls' track. **Jill Pearson**, also a senior, received the girls' golf award. Junior **Betty Sue Chubb** was awarded the MVP for girls' volleyball. Carolyn Finnie, not available for picture, received the girls' basketball award.

(above) **Greg Adair** received the MVP award for boys' track. **Lance Looney**, senior, was presented the boys' tennis award. **Mike Gilreath**, senior, received the boys' golf award. **Kirk Glenn** was the winner of the Forrest Gregg Courage Award for his leadership. **John Russell**, junior, was co-winner of the basketball award with **Mike Debase**. **Richard Glaess**, senior, received the MVP for his outstanding work in football.

Jill Pearson Chosen Homecoming Queen

Voting on the Homecoming Queen was done differently this year. Instead of voting on ten girls from the Senior Class and the top ten being on the court, the Senior Class voted on three girls of their choice and the ten receiving the most votes made up the court.

Sartin, Farler Crowned King and Queen

Another tradition was broken in the election of the King and Queen of Hearts. As usual the nominees were chosen from each of the four classes, but the King and Queen did not have to be members of the same class. **Sean Sartin**, Junior, and **Lorie Farler**, Sopho-

more, were named King and Queen of Hearts at the dance on February 9 at the Civic Center. Another change was that the voting was done at school on Friday instead of at the dance on Saturday. This gave the whole student body a chance to participate.

(below) Senior **Greg Adair** opens an account at the new First National Bank with bank President **Ricky Palmer**. (top right) Del Taco is one of the many new restaurants recently opened in Sulphur Springs. (bottom) The Mission Theatre underwent remodeling and was converted into a twin cinema.

As well as our school, our city is making changes in order to meet the needs of the new decade. There are new constructions taking place every day. The Coca Cola Bottling Plant and Winzen Research are undergoing new building expansions in order to accommodate their growth. The Hollywood Candy Plant, which has not been opened in several years, has been converted into an Ocean Spray. Del Taco, Pizza Hut, and K-Bob's are new restaurants which have recently been opened. The Mission Theatre has been converted into a twin cinema to help the city's entertainment needs. Perhaps the most contributing factors to Hopkins County's rising economy are the dairy industry and the development of the Lignite Coal Mines.

FIRST BAPTIST CHURCH

YOUTH MINISTRY

"I have come for people to have life
and have it til it overflows."

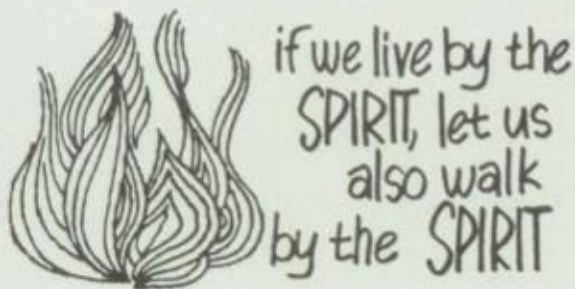

John 10:10 (Williams)

THESE WORDS OF JESUS GIVE THE PURPOSE OF THE YOUTH MINISTRY OF THE FIRST BAPTIST CHURCH OF SULPHUR SPRINGS. WE BELIEVE OUR ONLY REASON FOR EXISTENCE IS TO LEAD YOUTH TO HAVE LIFE "TIL IT OVERFLOWS." IT'S AN EXCITING THING TO EXPERIENCE THAT KIND OF LIFE.

THE YOUTH MINISTRY AT FIRST BAPTIST CHURCH OFFERS YOUNG PEOPLE AN OPPORTUNITY TO GROW AND EXPERIENCE THE "LIFE THAT OVERFLOWS." THE FOLLOWING AREAS OF MINISTRY AND OPPORTUNITY PROVIDE SOME OF THE FINEST THAT CAN BE HAD ANYWHERE IN ATTAINING OUR GOALS AS A CHURCH FAMILY FOR THE YOUNG PEOPLE OF OUR COMMUNITY.

Today in the Eighties

(Right) Mrs. McIntire, Danny Scott, Tracy Tipping, and Mrs. DuPriest display that turbulence is not only world wide, but exists at SSHS too. **Wade Kids** (Below) and Jeff Bennett plot the taking of teachers as hostages due to unfair treatment. (Bottom Right) The Football Team display their feelings during the Alma Mater.

After the tumult of the angry '60's, the '70's were supposed to be a quiet time — a time to regroup and recover from too much of everything. Instead, they turned out to be as testy and turbulent as any chapter in U.S. history. As Americans were preparing for the turn of yet another decade, they were plainly expecting more of the same turbulence, and that turbulence has already begun.

These days, it appears that the taking of hostages is as much a part of our lives as tardy bells and six weeks tests. Since the fall of 1979, hostages have been held in the Puerto Rican Embassy in London, Columbia, the Iranian Embassy in London, and of course, the American Embassy in Iran. The 50 American hostages that were taken in November of '79 were still being held by graduation in May. One rescue attempt was made, but failed, tragically losing the lives of eight Marines.

The latest fad at SSHS hit with a bang as teenage girls strive to get a tan the easy way. The easy way is known as tanning booths, and Sulphur Springs now has two locations. Many believe that these booths which expel ultra-violet rays are dangerous, but that doesn't stop much of the youth at SSHS!

Keeping the ERA (Equal Rights Amendment) and the possible drafting of women in mind, students formed their own opinions about Women's Liberation. These opinions are greatly varied, but since Carter's proposal to draft women, many of SSHS's male chauvinist conservatives changed their attitude to a more liberated tune. (This was much to the joy of the women's libbers!)

The members of the play "Bald Soprano" try getting a tan the traditional "hard way" (Left). Dalynn Petty (Right) exercises her right as a female athlete to use the power lifting machines, and proves that girls can be strong too.

Tomorrow in the Eighties

Senior Deanna Cousins (Right) bids her farewell to SSSS. (Below) Judd Gregory and Keith Tuck take time out for breakfast. Jordan Stanley and Steve Braden (Bottom Right) enjoy a Spanish Club Party.

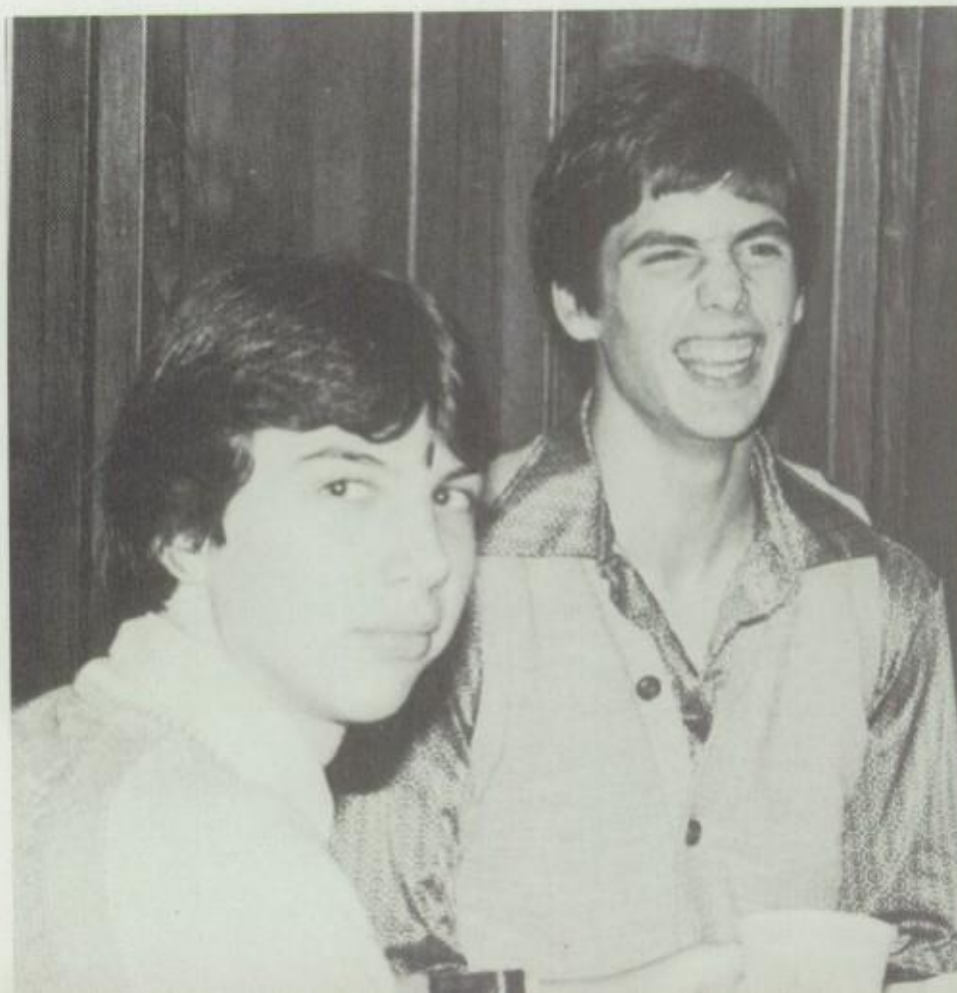

Most of the future is cloudy, but some events are scheduled years in advance — and others are inevitable. Natural phenomena such as eclipses and locust broods come on predictable dates, and the number of teens in the '80's is determined by births in the '70's. Some events to enter on the calendar of the coming decade are:

1981 — Both college age and the youth populations reach peaks, to decline through the rest of the decade.

1982 — The deadline for the complete pullout of Israeli troops from the occupied Sinai peninsula, three years after the signing of the mideast accords, and the deadline for the ratification of the ERA, which 38 states must approve.

1983 — All cars for the 1984 model year must be equipped with air bags or automatic seat belts.

1984 — Sirhan B. Sirhan, convicted for the assassination of Robert F. Kennedy in 1968, becomes eligible for parole, and the first natural gas flows through the Alaska Highway pipeline from Prudhoe Bay to the lower 48 states.

1985 — The price of newly discovered natural gas is deregulated, and thirteen-year locusts return to the southern U.S., spreading north to Illinois and Missouri.

1986 — The wage base subject to social security taxes rises to \$40,200, and the tax rate reaches 7.15 per cent. The black youth population peaks this year also.

In the eighties, the students of SSHS will be maturing and growing with time, and enjoying the freedom of youth along the way. They will be continuously searching for a brighter tomorrow.

Donna Jordan (Left) clearly plans for the future. **Terri Stubbs**, and **Travis Harmon** (Top Right) prepare themselves for a wedding in Home and Family Living Class. **Ricky Strong**, and **Kenna McAdams** (Bottom Right) display their idea of the styles of the '80's.

Cat's Paw Staff Shows Big Contrast Between '70's and '80's

We, the 1980 Cat's Paw Staff, hope that you have enjoyed our book. We tried to include all of the student population, and hope that you, the readers are pleased. Our main goal was to wrap up a very meaningful year all in one book, emphasizing a giant leap into an exciting new decade with a promising new future.

As we display in these pictures, though fads and fashions change with time, we often travel along the same paths as did those in the past. The students of SSHS in the '70's set high standards for us to live up to, but by keeping our goals and morals high, they can easily be surpassed. The '80's will be a time of many exciting opportunities, and we encourage all who read this to seek those opportunities and to always dream a new dream.

(Top Right, from left to right) The 1980 Cat's Paw Staff: **Debbie Osborn**, Academics Editor; **Bonni Booker**, Honors and Student Life Editor; **Sam Johnson**, Sports Editor; **Ricky Deaton**, Advertising Editor; **Jan Lawrence**, Activities Editor; and not pictured, **Shelley Grimes**, Classes Editor. (Bottom Right) The Junior assistants are: **Laura Perry**, **Jeff Gideon**, **Kelly Wesson**, **Missy Hackney**, and **Karen McKool**.
